

## New PCUUC Grant Program

PCUUC's committees play an essential role in organizing and implementing activities in connection with our mission. To this end, the PCUUC Board would like to support the work of our committees by offering three \$500 grants. The goal is to provide qualifying committees with funds to help them launch a new project or maximize an existing project that aligns with their goals and vision. It's an opportunity for each committee to strategize on how they might further their work in our community if they had additional funding. Qualifying committees are existing groups, committees, and advisory committees within PCUUC. Individuals with ideas for utilization of a PCUUC Grant, are encouraged to work closely with an existing committee to develop their idea.

Submissions opened on March 27 and close on April 29. To apply, Committee Chairs are asked to submit a statement of no more than 500 words on how their committee will use the grant along with a grant program budget with timelines, detailing how the funds would be used. Please submit the statement and budget to Leslie Piotrowski at: [lpotrowski80@gmail.com](mailto:lpotrowski80@gmail.com).
