We, the members of Prairie Circle Unitarian Universalist Congregation covenant with ourselves, the staff, and the Church Board to live in harmony with our seven principles.

1. I will honor the inherent worth and dignity of every person by treating every person with respect...
2. I will model justice, equity, and compassion in human relations by forgiving myself and others when we make mistakes...
3. I will promote acceptance of one another and encouragement to spiritual growth in our congregation by taking responsibility for my own spiritual growth and supporting others in their spiritual pursuits...
4. I will support a free and responsible search for truth and meaning by supporting and encouraging responsible freedom of the pulpit...
5. I will support the right of conscience and the use of the democratic process within our congregations and in society at large by embracing differences of opinion...
6. I will strive for the goal of world community with peace, liberty, and justice for all by promoting and supporting interfaith efforts compatible with Unitarian Universalist values and principles...
7. I will show respect for the interdependent web of all existence of which we are a part by acting responsibly in local and global issues to reflect Unitarian Universalist principles.
